

PHAKAMISA

A ministry of the Pinetown Methodist Church.

UK Registered Charity Commission Number: 1095757

**You and
Phakamisa
can help to make
life worth living.**

JUNE

2011

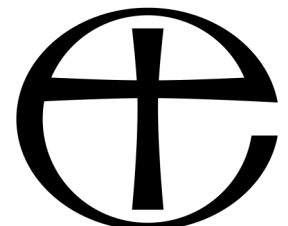

BIKE RIDE

When I first heard about the work of Phakamisa in South Africa it was very inspiring. HIV AIDS has such a huge and devastating impact on poor communities and in particular children. The charity provides help and support for those caring for children who are orphans or have been abandoned. I am on sabbatical this summer and wanted to do something that could raise money for a charity. So the plan is to head to Land's End at the end of June and head towards John O'Groats. By cycling 50 miles a day this should take around three weeks to complete. I have a one-man tent and have rejoined the YHA to provide accommodation. If you are able to make a donation to the work of Phakamisa that will be great and will also provide the necessary encouragement to keep peddling Revd. Jonathan Gordon
