Baldon Methodist Church

Dear Friends,

Thank you so much for your donations that we have received via Ann Clark.

Your support means so much to us especially at this time as many of our people are in dire financial straits as they struggle to care for their families on their meager incomes.

Thank you so much once again for the donations - we know that many of our precious donors are also feeling the affects of the recession and so we deeply appreciate their support.

Yours sincerely,

Glenda
