

**URGENTLY NEEDED: ADDITIONAL VOLUNTEERS TO PREPARE AND OPERATE THE COMPUTER AND SOUND SYSTEM FOR MORNING WORSHIP ON A ROTA BASIS**

If you might be interested in helping to enhance our worship in this way, please talk to Andy Yarde, Stephen Craven, Allen Pollard, or Chris Flecknoe. We operate a rota system and need a few more volunteers to share round the role. Training sessions will be arranged so, if you are at all interested, this would be a good time to find out what is involved.

**THE FINAL LOGO** As promised, here's the final version of logo for commercial use.

We've adapted the tree slightly in order to get across the 'building' nature that 'The Big fund' will be used for. We've incorporated the brand style for the (Wesley) figures standing by the tree and removed the speech bubbles, as the logo already shouts eco (and the text would be too small when viewed on a logo this size).

Other than that, the logo is pretty much as Caitlan visualised! *Congratulations again Caitlan. Well done you!*

**IDEAS AND ISSUES (INI)**

The TGI Saturday Report recommended the establishment of a 'quality conversation' group which should be 'informal, creative, intergenerational...and .. based round current affairs'

I should like to set up such a group. I announced it to the Annual General Church Meeting on 15 April. I have had discussions with several people and propose the following.

The Ideas and Issues Group meets, quaffing tea or coffee, on Thursdays once a month in Wesleys Cafe from 14:00-15:00. Such a time and venue would encourage others who use Wesleys to join us. I would initiate the first conversation by taking an item from the news that week, and asking what it means. I would time myself for five minutes by my blue sands egg timer: we may be known as the Blue Sands Group. After about half an hour, someone else may introduce a further topic. There are seven people interested at present; so a few more places are available. We would particularly welcome young mums whose children could play by our sides while we talk. If you would like to join us, please let me know by Sun 29 April by emailing me on [dumelama2000@yahoo.co.uk](mailto:dumelama2000@yahoo.co.uk) or phoning 01274 590525. I will not be at church for weeks as I am preaching away every Sunday until May 6. Then I will arrange a first conversation in May.

This initiative has attracted lively participants. The conversations promise to be very interesting. Don't miss us: get in touch now! *John Anderson*
