May the best team win!

Malaria Project—Christian Aid

Thank you very much for the efforts you have made over the past month. We reached our target of £500.00. The total, including the amounts gift aided, amounted to £504.50. I have been in touch with Christian Aid and they were delighted. So much can be done with such a gift to change the lives of many people we do not know and will never see.

Thank you again.

From the Estate of Robert Pemberton

A huge collection of slides has come into the possession of our church. They were found in a loft and were about to be thrown away. They reflect the life of Robert in many ways, his interests and visits to places around the world. He also recorded old customs and events such as well dressing.

I am sure he would have been happy to know that they had all found a good home. I cannot begin to describe them all but they are all boxed and labelled.

Come and see them in Meeting Room I.

They are free for you to take away as long as you give a donation to the Big Fund.

What can you do for The BIG Fund?

The Simplest Ideas are sometimes the best.....

- Set up a jar or tin at home in which to put all your small coins;
- Invite your friends and neighbours round for coffee and ask them to make a small donation to The BIG Fund. (This might be a good way of getting to know some of your neighbours as well as raising some money);
- Ask family and friends for a donation to The BIG Fund instead of buying you a present for a birthday or at Christmas
- Set up a simple "guessing competition" with a small prize for the winner. For example – "guess the weight of the cake"; "guess the name of the teddy"
- Arrange for a "Bring and Buy" stall in Wesleys .
- Donate for free by shopping on-line through [Easy Fundraising](#)
- Or simply support those efforts being made by others..
