

**Baildon
Methodist
Church**

Our Church needs our help!

This year giving through the Collection has reduced by almost 9% because some of our members have either moved on or passed away.

And as they tend to do, all the Church's expenses have risen with inflation.

Our Church needs us all to review, and if possible increase what we give to Church.

Thank you to all who have already increased their giving in the last month or so but if you have not done this recently,

Please can you review and if possible increase your giving.

Every penny counts.

And if all who pay tax could Gift Aid the giving, the Church's income is increased by 25% at no extra cost to the giver.

John Sykes, Treasurer 27 May 2013
